TO MY SCIENTISTS....

Tonight the SI's...contacted me...the first time for quite a while.
They have been waiting...for me to regain some strength...from my operations.

Tonight...they communicated...and told me...that if...a pro football team does not hire me...for $100,000...(the same sum I came to the U.S. Govt. with in 1965)....
that they will punish the United States accordingly.
To spell it out...I am their one link with the human race...and I need $100,000 to carry out my immediate chores for the SI's (UFO entities with which I work, and have worked in the past.)
I could work with the LA Rams, for instance, for 100,000...
then after the season is over...I could take care of the SI's work...
their assignments. (Which are expensive...in our money. They do not use money.)
If...I do not...receive 100,000 from any source...then they will...in time ahead...punish the United States...painfully...and the 100,0000 will have been a drop in a bucket.

Am only relaying the message passed on to me tonight...from the UFO intelligences.
