ENTISTS.....

I determined to drive out all the whites in Africa...save the animals in Africa... restore Africa to the blacks who originally inhabited Africa. To do this I telephoned my UFO's and asked permission. They granted it. I set the mechanism in motion (I can be an IDEA and apply psi force to it...then it comes to pass) then I sent in my "prediction" to Brad Steiger and Warren Smith, who published it in their book "What The Seers Predict For 1972", Contempora Books, 78682-125, \$1.25, as follows: "I have set this up in 1971, and the PK should be working up great power for this in 1972. The SI's and I intend to drive out all whites in Africa AND TO STOP THE NEEDLESS KILLING OF WILDLIFE THERE. We shall return the country to its native blacks so that the country can once again become healthy and grow....." (page 140 in book).

Am enclosing xerox of that very page...also xerox of Chicago Tribune article which just appeared, October 19, 1975...disclosing that the SI's and I have become powerfully successful in our project.

I point this out...as I documented my control of Norfolk, Virginia; control of a radar station; control of Cleveland, Ohio; even control of the country of France -- all these cases documented and in your files. (And now am working on control of Chicago and its environs as a demonstration.)

Sincerely,

Ted Owens (PK Man)
